S.K.Y. Engineering appointed as Agent for ROTOCONTROL in Thailand

SKY now representing ROTOCONTROL leading edge inspection, slitting, rewinding and die cutting finishing machines in Thailand

Ahrensburg, Germany (January 19, 2011) – Ralph Beier, ROTOCONTROL International Sales Manager, today announced further expansion into Asia with the appointment of S.K.Y. Engineering Co., Ltd. (SKY) in Thailand. With more than 20 years experience in selling equipment and machinery for the plastic industry, SKY is also active in high quality flexible packaging thermoforming and finishing applications. SKY represents more than 20 leading manufacturers including AVT 100% inspection vision systems and Multi Print Systems (MPS) flexo narrow web printing presses.

Mr. Somkiat Sripraprutchai, SKY Managing Director commented: “ROTOCONTROL visited Thailand last month to finalize the agreement and meet several key label Converters. Feedback from these meetings was positive, indicating that ROTOCONTROL leading edge inspection, slitting, rewinding and die cutting finishing machines will have a significant presence in Thailand”.

“SKY has been in contact with ROTOCONTROL for several months” states Ralph Beier. “My on-site meeting with them last month confirmed they are well connected with leading label converters and with the offering of a combined Sales and Technical team that can provide complete service, SKY will successfully represent ROTOCONTROL in Thailand”.

About ROTOCONTROL

ROTOCONTROL designs and manufactures leading edge inspection, slitting, rewinding and die cutting finishing machines for the narrow web industry. Available globally, ROTOCONTROL offers machines from smaller basic rewinders to feature rich, sophisticated models with multiple options. All utilize S-Drive Servo Technology enabling maximum web control for the most delicate film and foil materials. Headquartered in Ahrensburg (Hamburg), Germany ROTOCONTROL maintains the highest level of product quality through ease of use, absolute control and flexibility. ROTOCONTROL is the partner of choice in the finishing of label products.

Speed is Nothing without Control.
