## ROTOCONTROL Appoints New Agent for Benelux

*ROTOCON Europe now representing ROTOCONTROL label finishing machines in Belgium, the Netherlands, and Luxembourg.*

LINAU, Germany (September 19, 2018) – ROTOCON Europe is the newly appointed ROTOCONTROL agent for Belgium, the Netherlands, and Luxembourg, effective September 1. Leading the sales of ROTOCONTROL's label finishing machines for the Benelux narrow web printers and converters is ROTOCON Europe's Arnaud Fleuren, area sales manager and Pascal Aengenvoort, managing director.

With a sales and service office centrally located in the Benelux, ROTOCON Europe is a subsidiary of ROTOCON [www.rotocon.co.za](http://www.rotocon.co.za) headquartered in Durbanville, Cape Town with regional offices in Durban and Johannesburg. Founded in 2008, ROTOCON provides consulting and service to South Africa label and package printers and converters, and has represented ROTOCONTROL in South Africa for over nine years.

Fluent in Dutch, English and German, Arnaud Fleuren brings extensive experience to ROTOCON Europe from his role as area sales manager for the Dutch manufacturer MPS Systems B.V., a leader of flexo, hybrid and offset printing presses for the world-wide narrow web industry. ROTOCON Europe will represent ROTOCONTROL's full range of premium finishing machines for label inspection, slitting, rewinding, die cutting, overprinting, digital and booklet printed labels.
