Multiprint Labels purchases ROTOCONTROL RSC Slitter/Rewinder with Die Station

Multiprint Labels is one of the leading Flexographic printing companies in South Africa

Ahrensburg, Germany (February 15, 2011) – Ralph Beier, ROTOCONTROL International Sales Manager, today announced the receipt of an order from Multiprint Labels for a RSC Slitter/Rewinder 340mm web width with an added Die Station. Technology discussions for the project were led by Patrick Aengenvoort, Director from ROTOTEC, the local Agent for ROTOCONTROL throughout South Africa.

Chris Bobbert, Multiprint Labels Managing Director and General Manager commented: “Quality is one of the most important aspects of our business. To maintain our high standard of quality, Multiprint Labels invests in technology that will provide an equally high return in investment, which is why we selected the ROTOCONTROL RSC. The ability to inspect, slit, rewind and die cut our large variety of material on one machine is the type of versatility that we require to keep us at the leading edge.”

Headquartered in Johannesburg, Multiprint Labels manufactures High Quality self adhesive labels, Unsupported films and papers, Tags, Hot and cold Foiling, Numbering, Coupons, and Sheeted labels.
