ROTOCONTROL/LeoMat Expands Sales Team

Additional hire in response to expansion of world-wide agent network and growth in sales.

Trittau, Germany (January 21, 2014) – ROTOCONTROL, [a manufacturer of leading-edge slitter/rewinder inspection machines](#) today announced the appointment of Alexander Siegmund as Assistant Sales Manager, reporting to Marco Aengenvoort, Managing Director. This new role will focus on supporting the ROTOCONTROL/LeoMat world-wide agent network and customer inquiries, as a result of a number of new assigned agents and growth in sales in the last year.

Alexander earned a bachelor degree in business management from the West Coast University of Applied Sciences in Heide, Germany and joins the ROTOCONTROL/LeoMat team of over 30 employees in Trittau at company headquarters. He is the first point of contact for the ROTOCONTROL/LeoMat world-wide agent network.

Agents that added the ROTOCONTROL/LeoMat line to their portfolio over the last year include Wink Danmark A/S in Denmark, CGS in Malaysia, Northern Graphic Solutions in Canada, Itraco in Russia, Imp. Exp. Enric Pont S.L. in Spain, Media Technology Japan Co. Ltd. in Japan, MPS Systems UK in the United Kingdom and Lirmaprint in Italy.

Alexander Siegmund

Marco Aengenvoort, Managing Director of ROTOCONTROL comments:
“Alexander will be a great asset to the ROTOCONTROL/LeoMat team, as responsiveness and customer care are top priorities. We are privileged to have an extensive network of agents around the world offering local support and service to our customers. As we enter our fifth year of operation, we are well-positioned with the combination of an exceptional team of employees and leading-edge technology for continued growth.”

Alexander Siegmund can be reached at a.siegmund@lm-rc.de and +49 415470 940 12.
